Travis Alexander Rivera

Objective

Graduate from the University of Central Florida looking to build innovative solutions through my skills of data analytics and software development. I am a dedicated and hardworking individual with a passion and desire to learn and work on the structure and design of software. I love being part of a company that values innovation and aims to transform the world.

Academic Qualifications

University of Central Florida   **Graduated 2023**

- UCF's Full Stack Coding Bootcamp
  - Over 240 contact hours or 24.0 CEU.
- Bachelor's in Health Sciences (Pre-Clinical track)
  - This is an advanced degree track that requires high academic standards such as maintaining a 3.0 GPA with high level core classes and restricted electives.
- Relevant Coursework:
  - <u>Coding Bootcamp</u>: Built several Full-Stack applications both individually and with a team. Used many programs and technologies that are listed in the side column.
  - <u>Health Sciences</u>: Statistical Methods, Precalculus, Trigonometry, Psychology, Abnormal Psychology.

Work Experience

Target Corporation (Orlando, FL)

Fulfillment Expert (Team Captain)   **Dec 2022 – Present**

- Manage team members when there is no fulfillment manager present.
- Track and ensure percentage of "Items Not Found" stays under 4% to meet store expectations.
- Manage "Ship from Store" orders to ensure our store meets daily unit goal.
- Analyze 'Order Pick Up' times and ensure our team is on pace to hit time goals.
- High level of communication between store employees and managers.

Inbound and General Merchandise Expert   **2018 – 2022**

- Unloaded 2000-piece truck in fast paced setting.
- Ran and maintained my own department as a DBO.
- Assisted guest with product information and availability.
- Stocked shelves with products daily.
- Pulled items from backroom when floor counts are low.
- Maintained clean shelves and aisles in my department.
